June 11, 1963

Honorable John A. McCone
Director

2430 "E" Street, N. W.
Washington 25, D. C.

Dear Mr. McCone:

The Foreign Operations and Government Information Subcommittee, at the direction of House Government Operations Committee Chairman William L. Dawson, is looking into the use of polygraphs by federal agencies. The survey is being undertaken in keeping with the Committee's duty to study the operation of Government activities at all levels with a view to determining economy and efficiency.

In this connection, please furnish full and complete answers to each item in the enclosed questionnaire which is being sent to the heads of all Executive departments and independent agencies. Responses are to cover all subordinate organizations within each agency. Within some individual departments and independent agencies more than one major subordinate organization may use polygraphs for different purposes or under different procedures. In that event, please break down the requested data by major subordinate organizations in addition to providing an agency-wide compilation.

If any portion of the questionnaire seems unclear, please contact the Subcommittee staff for advice or explanation.

In order that the Subcommittee can prepare a timely report on the matter, please provide the requested information by July 31, 1963.

Sincerely,

JOHN E. MOSS
Chairman
